

TO: AMA Sports Department

This letter is to inform you that I wish to submit a Letter-Of-Intent (LOI) for the purpose of qualifying for the USA 2006 International Six Day Enduro team. The 2006 ISDE will be held in Lake Taupo, New Zealand on November 14 – 19, 2006.

If selected to represent the United States team, I understand that I will be expected to bear all expenses connected with the trip and competition. This includes, but not limited to the following:

- \$TBA Approximate tour package
- \$650 Approximate Entry fees
- \$200 Approximate FIM Medical/Accident Insurance and License Fee
- \$TBA Team USA container use fee

I understand and agree to pay the Team USA Container Work center usage fee. This fee is inclusive of my motorcycle freight, but is required whether I ship my motorcycle or not.

I understand the shipping date will be approximately 60 days before the ISDE, and if I'm selected, I will allow extra time for inland shipping of my motorcycle to Portland, Oregon. For special inland shipping prices and arrangements, contact the AMA. I agree to use the officially designated travel agency for the AMA/ISDE tour.

I have completed all the requested information below and have included the \$60.00 fee which I am submitting prior to the first qualifier I enter. I understand that upon receipt of this form I will be added to the Letter-Of-Intent list and advance myself to "A" status. All pertinent information about the event/qualifying will be sent when available. Only one (1) letter of intent is required to compete in any of the four (4) qualifiers.
